

M18 FOPH-RA | M18 Fuel™ QUIK-LOK™- Reciprocator Attachment

- M18 FUEL™ technology, offers the most advanced cordless technology to deliver power and run-time for the landscaping and trade professional
- Utilizing the M18 FUEL™ Power Head with QUIK-LOK™, users can quickly and easily switch between any of the attachments when needed.
- Allowing operators to cut with precision and accuracy. More importantly, it minimizes thrown debris and prevents marring during close proximity cutting
- Provide the ability to quickly clear thick brush, the attachment utilizes dual 9" blades and maintains a 1/2" cut capacity
- Features protective drive shafts for increased durability while also utilizing technology and optimized gearing to manage the cordless M18 FUEL™ RPM output specifically for reciprocating applications.

No-load speed SPM	0-24800 min
No-load speed CPM	0-4960 min
Cutting blade diameter	230 mm
Weight (BT)	5.46 kg
